ing and applauding him. His speeches apparent to-day. One story after another were all received with great acclaim.

His speech at the City Club in the choon was the only one of the three prepared in advance. In this he added special denunciation of the German-American Alliance of St. Louis for voting down a proposal to take part in the preparedness parade which will be held ere on June 3.

In the course of one of his talks, replying to President Wilson's speech, he declared that he did not have to deal with Bryan or Ford.

"Both are nice, amiable men, and I like them in private life," he said, "but

they at Princeton refuse to fi-cause the enemy were British.

HUGHES LEADS FIELD IN CHICAGO; T. R. AND TEN RIVALS JOIN TO BEAT HIM

United Movement Under Way to Elbow Jurist Out of Race-Party Leaders See Danger, However, of Roosevelt Running Away With Nomination.

National Committee is:

Associate Justice Charles E. Hughes Associate Justice Charles Supreme Court the United States Supreme Court apparently leads the field for the Republican Presidential nomination. Col. Roosevelt, his lieutenants and the ten so-called favorite sons are making a common cause against the Hughes movement.

nomination. The favorite sons are in exactly the same boat. Hence, both have trained their guns on the jurist. They are working in a common end, they each have different purposes in mind. The Colonel's followers are positive that if they can heard everywhere over the difficulty of to force Hughes into making a state. Colonel can canter away with the Republican nomination. The State favorites believe that if they can only growd. to force Hughes into making a state-

is just what it has been ever since his in many quarters that President Wilson hame was first proposed: that he is not soing to be an easy candidate to "An attempt by the morning that only about 3,000 people a candidate for the nomination and that beat and that it will be necessary for were on hand to greet him. But when like came out of the Mercantile Club and entered his automobile to be driven to the City Club he was greeted by a throng that filled the streets.

When the Colonel was seen in the business district thousands gathered, cheering and applications of the flavorite son group to elbow the strength of the favorite son group to elbow in paparent to-day. One story after another the set and that it will be necessary for the is not saying whether or not he would accept if the honor came to him. While the Republicans to put forward their strengest man.

When the Question is asked: Who is the strongest man? The answer comes back invariably: Hughes or Roosevelt. That is the reason why many Republican leaders believe the strength of the favorite son group to elbow in a spanning became very apparent to-day. One story after another the Ropublicans to put forward their strengest man.

When the Question is asked: Who is the strongest man? The answer comes back invariably: Hughes or Roosevelt. That is the reason why many Republican leaders believe the strength of the favorite son group to elbow in a candidate for the nomination and that it will be necessary for the nomination and that it will be necessary for the city close the strongest man.

CHICAGO, May 31.—The situation on was put in circulation, all designed to the eve of the meeting of the Republican National Committee is:
